

Quasi Government Organizations (Paperback)

By James F. Turbane

Nova Science Publishers Inc, United States, 2009. Paperback. Condition: New. UK ed. Language: English. Brand new Book. The quasi government, not surprisingly, is a controversial subject. To supporters of this trend toward greater reliance upon hybrid organisations, the proper objective of governmental management is to maximise performance and results, however defined. In their view, the private and governmental sectors are alike in their essentials, and thus subject to the same economically derived behavioural norms. They tend to welcome this trend toward greater use of quasi governmental entities. Critics of the quasi government, on the other hand, tend to view hybrid organisations as contributing to a weakened capacity of government to perform its fundamental constitutional duties, and to erosion in political accountability, a crucial element in democratic governance. They tend to consider the governmental and private sectors as being legally distinct, with relatively little overlap in behavioural norms. Congress is increasingly engaged with the quasi government. The issues run the gamut from enacting legislation to encourage the creation of non-profit organisations to promote individual national parks, to proposals to strengthen regulation of government-sponsored enterprises such as Fannie Mae, to oversight hearings respecting national security issues at Los Alamos Laboratory. There is...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Barney Robel Jr.
